SANDET VAR I NIVEAU helt ind til 3-spring, og her var det sådan set også i niveau, men da der var for lidt sand i graven, blev man nødt til at skovle sandet i siderne ind på midten for at sandet her kunne være i niveau langt ud i graven. Men overfor reglementet, var bredden af sand i niveau så ikke bred nok.

**NÆSTE STÆVNE ER LØRDAG D. 07. JANUAR  
KL. 12.30**

**GLÆDELIG JUL OG GODT NYTÅR TIL ALLE**
